“I was so sorry to hear of Bob's passing. He was a good friend of my son Ross Weaver who passed away about 3 years ago. They had worked together for many years. We were suppose to have lunch not to long ago and he cancelled because of his last radiation treatment. We had lunch together several times after Ross's passing and I considered him a good friend too. He always spoke so fondly of all his family and how supportive they were for him. All our family's prayers go out to the family.”

“Uncle Bob, I loved the way you laughed so much! I remember you as a cheerful person making jokes and always laughing at other people's jokes with big smile :) I also always thought of you as a very warm hearted person, you were always nice to everyone. Thank you very much for being nice to me over the years, I am sure it is difficult to remember all the students at your sister's place but you always remembered me and that made me extremely happy!! So, thank you so much uncle Bob. I am sure you can get a best view of Cubs games now from heaven, please enjoy it until I see you next time. We won't see each other for a while, but eventually we all unite again in heaven. Let's have a big Italian family dinner then!! I will miss you and I promise to think of you every time I visit San Diego. Until next time, uncle Bob! Rest in peace.”
